Re: Reporting COVID-19 Related "Hate Crimes"

The Office of the Attorney General has launched a hotline for New Yorkers to report hate crimes and bias-based incidents.

The hotline, which will continue indefinitely, comes in the wake of rising reports of harassment and assaults, as well as rhetoric against Asian Americans amidst the COVID-19 pandemic.

The OAG urges anyone experiencing hate crimes and bias incidences to report them by emailing the OAG's Civil Rights Bureau at civil.rights@ag.ny.gov or by calling 1-800-771-7755.
