Re: NYC Department of Education Public School COVID Case Map

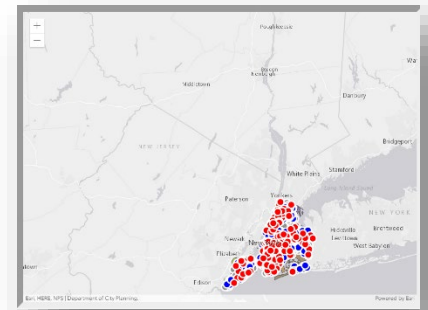

To maintain transparency and ensure parents have access to the information they need to plan and make informed decisions, the NYC Department of Education has created a portal providing detail about all known cases of Covid-19 at New York City public schools.

To learn more, or obtain information about public schools in your area, or those attended by your children, go to <https://www.schools.nyc.gov/school-year-20-21/return-to-school-2020/health-and-safety/daily-covid-case-map>

Daily COVID Case Map

This map shows all known cases of COVID-19 at New York City public schools. It is updated Sunday through Friday at 6:00 PM.

- A red dot indicates a building that has been closed.
- A blue dot indicates one or more classrooms in a building that has been closed.
- A grey dot indicates a member of the school community has tested positive but the school community was not exposed.

Situation Room Summary

Confirmed Positive COVID Cases: January 04, 2021 as of 6 PM

Total	Students	Staff
345	137	208

Confirmed Cumulative Positive COVID Cases: September 14, 2020 - January 04, 2021 at 6 PM

Total	Students	Staff
7,521	3,193	4,328

Actions Taken

Action	1/04 as of 6 PM	Cumulative (since 9/14)	Currently in effect
Classroom Closures	34	3,900	321
24-Hour Building Closures	23	330	35
14 Day Building Closures	14	603	103

This information was compiled by the DOE COVID Response Situation Room—a multi-agency partnership between the Department of Education, Department of Health and Mental Health, and the Test & Trace Corps—to facilitate a rapid response to positive COVID-19 cases in public schools.

- For more information on protocols at our schools, please visit the [Health and Safety](#) page.
- You can also see the [Red/Orange Zone School Closures](#) page for additional building information.

Management will continue to monitor this and other city/state/federal sites for new guidelines and will provide updates as new information becomes available.
